

JACKPOT

The new Oceanis range has as a new major characteristic, the folding platform at the back of the yacht which allows all guests to feel like stepping on the sea. The Oceanis 48 is the widest yacht ever produced in 48 feet, with 5 cabins in the interior is a pioneer in terms of design, accommodation space and sailing capacity. We encourage you to spend some time looking at 'JACKPOT' one of the finest examples of the particular yacht available for sailing in the Greek islands.
