

'Lucky 7'

If you are looking for a compact 4 cabin, new design cruising monohull then 'Lucky 7' would be the perfect fit for you. In just 43 ft she is fully equipped with all the extras of a modern yacht, including bow thruster, electric winch, electric heads, plotter in cockpit, usb ports and many additional extras listed in our digital presentation. We encourage you to spend some time exploring the available extras and photos of the actual yacht taken in 2020
